MESSAGE

Dear Friends,

Year 2017 comes to an end. With the dawn of new sun it is time for setting new goal and adopting new resolutions. Hope you all would have made some resolution which will guide and encourage you throughout the year, to achieve new heights in your personal and professional career.

Let me share which I have thought for all of us, for BSNL to march ahead and achieve new glory. Let us move together and

Revive all BTS, DSLAM, OFC routes, Radio links and leased circuits in next 3 months.

Revitalise the network, keep it up always and pumping tirelessly like our heart keeps beating in our body. Let customers feel our presence, our strength. For this our mantra will be "अहर्निशं सेवामहे".

Reach to customer- There is enough scope to grow. Customers are waiting for us. Let us reach them. They will welcome us. Each one of us must strive for

One employee-one connection per day.

One SSA-one leased circuit per day.

On this auspicious occasion, I take the opportunity to greet you and your family members the good wishes and warm greetings for the ensuing new year.
